

Suffragist Materials at DAR Library:

Given that the members of the DAR have historically been very interested in the issues of suffrage and women's rights, the Library has a large number of works on the subject. Below are only a few highlights of the collection:

"The History of Woman Suffrage," edited by Susan B. Anthony, Cady Stanton and others, is a classic work dedicated to the question. The Library owns a rare gem – a first edition of Volume IV of the publication from 1900, with a personal dedication by Susan B. Anthony herself (LC-WOMEN HISTORY WO-RIGHTS HIS), as well as a number of other works from the era, arguing both for (e.g. *"Common sense" applied to woman suffrage: a statement of the reasons which justify the demand to extend the suffrage to women, with consideration of the arguments against such enfranchisement and with the special reference to the issues presented to the New York State Convention of 1894* by Mary Putnam-Jacobi; with an introduction by Frances Maule Bjorkman, dated 1915) (WOMEN HISTORY 1865-1917 PUT) and against (e.g. *Woman and the republic: a survey of the woman-suffrage movement in the United States and a discussion of the claims and arguments of its fore-most advocates* by Helen Kendrick Johnson, from 1913) (WOMEN HISTORY WO-RIGHTS JOH) suffrage.

In addition to material from the era, the Library holds an extensive collection of works on suffragists and the suffrage question – below are just a few selections from the shelves of the main Library and the Library of the DAR Museum:
