
Junior American Citizens

The purpose of the Junior American Citizens (JAC) Program is to teach America's school children the principles of democratic government, and to promote good citizenship and appreciation of American heritage and history.

- JAC Clubs are available to all students. The clubs are sponsored by a DAR chapter and their meeting frequency varies by club. JAC Clubs are open to all students in preschool through high school. Members participate in community service and patriotic activities, while learning history and love of America.
- There are JAC Contests offered in: art, creative expression and community service for grades pre-K through 12. Entries are judged by grade on four levels (gifted artist/writer, general, special needs/special effect and non-declared/unspecified) so that every child may enter the contest regardless of ability. Children from youth groups, as well as schools, may participate in the contests.

For additional information about Junior American Citizens, please contact your local DAR chapter or visit DAR.org.

The Daughters of the American Revolution is a non-profit, non-political volunteer women's service organization. DAR members are dedicated to promoting historic preservation, education and patriotism in communities across the nation. All students are invited to participate and learn more about the educational programs the DAR offers. Educators, parents and students are encouraged to contact their local DAR chapters for more detailed information on these programs.
